Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. § 1.56, Applicants hereby submit the following information in conformance with 37 C.F.R. §§ 1.97 and 1.98. Pursuant to 37 C.F.R. § 1.98(d), copies of the references cited below are included herewith:

U.S. Patents

5,394,733 Acholla 3/7/95

Foreign Patents

WO 95/06019 WIPO 3/2/95

The documents are being submitted within three months of the filing or entry of the national stage of this application or before the first Office Action on the merits, whichever is later, therefore no fee or certification is required under 37 C.F.R. §1.97(b).

I, the undersigned, hereby state that each item of information contained in this Information Disclosure Statement was first cited in a communication from the United States Receiving Office acting as the International Search Authority for the PCT application corresponding to this application. Thus, Applicants believe this constitutes a communication from a foreign patent office in a counterpart foreign application and that each item of information contained therein was not cited more than three months prior to the filing of this Information Disclosure Statement. Applicants also submit a copy of the subject ISR herewith.

While this Information Disclosure Statement may contain "material" information pursuant to 37 C.F.R. § 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" to the invention disclosed and claimed in the above-referenced application unless specifically designated as such.

Applicants specifically reserve the right, where appropriate, to antedate any such reference by the appropriate showing under 37 C.F.R. § 1.131 and § 1.608, or any other appropriate means.

This Information Disclosure Statement is not a representation that a search has been made or that no other information material to the patentability of this invention exists. To assist the Examiner, the documents are listed on the attached form PTO-1449. It is
